As regards the question of source - if the allowances are sanctioned for payment from the current year, the Heads of Departments, the officers of which are given the allowances, will have to find the necessary funds by reappropriation of available grants in their respective Budgets and from next year separate provision will have to be made in the Budget on this account.

7. In the calculation of the allowances shown in the Comptr's Statement, some appointments the pay of which is within certain limits, are also brought together and one amount is specified against the total no. of such appointments as the allowance payable to the officer holding the appointments & in the case of such appointments it is not possible to say what allowance has been calculated on each appoint-

The Compt^r. Deems however to have adopted the rates of allowances sanctioned to the Taluk Establishments in G.O. no 11906-A mis 7 35-96 & 30-4-1897 & no allowance is granted by the latter order to any Officer on pay ~~Rs~~ more than Rs 60, the Compt^r says he has calculated the allowances payable to Officers whose pay exceeds Rs 60, in analogy with the rates obtaining in the Kolar Gold Fields, at 1/10 of the pay in malnad and 1/20 in semi malnad. From the amounts shown in the Statement it would appear that in the case of appointments on progressive pay, the Compt^r has calculated the allowances on the actual pay the officials were drawing at the time the Statement was prepared. The allowances to be sanctioned would be fixed and not change with the increments attached to progressive appointments. Mull 31/8/0
